Dear Ms. Kuehn-Ostertag:

This office has been retained by Drexel University to institute suit against you because of your default on the above referenced tuition account and your failure to repay the same.

Please be advised that the policy of Drexel University, at the time you attended, was to impose interest on all outstanding accounts. In addition, the policy called for all collection costs the University incurs to be passed on to the defaulting student.

If you would like to avoid litigation and collection costs, remit payment of the full amount as indicated above within thirty (30) days. If you are unable to remit the full amount, please remit a portion thereof and contact the undersigned to discuss a reasonable repayment schedule.
